This Interim Statement, including its supplemental financial information, has to be read in conjunction with the 2015 Annual Report of Hamburger Hafen und Logistik Aktiengesellschaft (HHLA). You can find basic information about the Group and its consolidation, accounting and valuation principles in the HHLA 2015 Annual Report. This document also contains forward-looking statements that are based on the current assumptions and expectations of the HHLA management team. Forward-looking statements are indicated through the use of words such as expect, intend, plan, anticipate, assume, believe, estimate and other similar formulations. These statements are not guarantees that these predictions will prove to be correct. The future development and the actual results achieved by HHLA and its affiliated companies are dependent on a wide range of risks and uncertainties and may therefore deviate greatly from the forward-looking statements. Many of these factors are outside of HHLA's control and therefore cannot be accurately estimated, such as the future economic environment and the actions of competitors and others involved in the marketplace. HHLA neither plans nor undertakes any special obligation to update the forward-looking statements.
